

Appendix 01

ATTITUDE SCALE

Sir/ Madam,

As a part of my M.Ed program I decided to do my dissertation work on the topic “A study of an attitude of secondary teachers towards the use of Smart class” for that I want to know the attitude of secondary teachers towards the use of smart class and for the same I request you to co operate. Data acquired through this research will be used only for research and will be kept strictly confidential. The objectives of my study are as follow:

- (1) To study the attitude of secondary school teachers towards the use of Smart Class.
- (2) To study attitude of female secondary teachers and male secondary teachers towards the use of Smart Class.
- (3) To find out the attitude of secondary school teachers towards the use of Smart Class with respect to their teaching experience.

Yours sincerely

Hiren Dodani
