ACKNOWLEDGMENT

I am very much glad to submit this dissertation to Sardar Patel University. I have worked with a number of people whose contribution in assorted ways to the research and the making of the dissertation deserved special mention. It is a pleasure to convey my gratitude to all of them in my humble acknowledgement.

In the first place I would like to record my gratitude to the role model for hard work **Dr. Sulabha Natraj**, I gratefully acknowledge my guide for her advice, supervision, and crucial contribution, and spend her valuable time for my dissertation which made her a backbone of this research and so to this dissertation. Her involvement with her originality has triggered and nourished my intellectual maturity that I will benefit from, for a long time to come. Above all and the most needed, she provided me unflinching encouragement and support in various ways which exceptionally inspired and enriched my growth as a student, a researcher and a scholar I want to be, I am grateful in every possible way and hope to keep up our collaboration in the future.

I am extraordinarily fortunate having my professors like **Dr. Bharti Rthore, Dr. Shital Halaiya and Dr. Rucha Desai** at Waymade College of Education. I could never have embarked and started all of this without their prior teachings in M.Ed course. Thank you very much from the bottom of my heart.

I am grateful to my friends Chirag , Rajan , Alpesh and Linus, They gave their sports through out the M.Ed course. And I am also thankful to all my friends of M.Ed group who directly or indirectly helped me through out the course.

Where would I be without my family? My parents deserve a special mention for their inseparable support and prayers. Special thanks to my father **Shree Zaverbhai Vaghela** who always believed in growing up by getting education and my mother **Shrimati Shantaben Vaghela** who always took care of me. Their eyes always motivated me in my work, which put the fundament my learning character, showing me the joy of intellectual pursuit ever since I was a child and sincerely raised me with their caring and gently love.

Words fail me to express my appreciation to my beloved wife **Heerlu** whose dedication, love and persistent confidence in me, has taken the load off my shoulder. I owe her for being unselfishly let her intelligence, passions, and ambitions collide with mine. Finally, I would like to thank everybody who was important to the successful realization of dissertation, as well as expressing my apology that I could not mention personally one by one.
